# About Us

## Crafting Timeless Rugs with Tradition, Precision & Global Elegance

At **Zorvexa Group**, we specialize in manufacturing and exporting premium handcrafted rugs that blend traditional artistry with contemporary aesthetics. From luxurious hand-knotted wool rugs to elegant hand-tufted carpets and versatile cotton dhurries, every product is created using high-quality materials and expert craftsmanship to meet international quality standards.

Driven by innovation, consistency, and customer satisfaction, Zorvexa delivers rug collections designed for residential, hospitality, and commercial interiors across global markets. Our skilled artisans focus on every intricate detail to ensure durability, comfort, and refined finishing while preserving the authenticity of handmade rug-making traditions.

## Our Focus

### ► Investment In Canadian Manufacturing

We continuously strengthen our manufacturing capabilities with modern infrastructure and efficient production systems aligned with international business standards. Our approach supports long-term growth, premium quality, and scalable global supply.

### ► Diverse Sectors

Our rug collections are designed to serve multiple sectors including residential interiors, hospitality projects, commercial spaces, luxury boutiques, and global retail markets with versatile design solutions.

## Our Mission

Our mission is to deliver premium handcrafted rugs that combine timeless craftsmanship with modern design innovation. We aim to build long-term global partnerships through exceptional quality, ethical manufacturing, and reliable export solutions. Zorvexa is committed to creating products that elevate interior spaces while preserving the authenticity of traditional rug artistry.

# Our Leadership Team

Our leadership team brings together industry expertise, innovation, and strategic vision to drive Zorvexa's global growth and manufacturing excellence. With a strong focus on quality, customer satisfaction, and continuous development, the team ensures smooth operations across production, exports, and international business partnerships.

## **Mr. Santoshkumar Mishra - Founder**

The Founder of Zorvexa established the company with a vision to bring authentic handmade rug craftsmanship to global markets while maintaining uncompromising quality and design excellence.

## **Mr. Santosh Shetty - Managing Director**

The Managing Director oversees strategic operations, production management, and international business development to ensure smooth execution and sustainable company growth.

## **Mrs. Kavita Mishra - Director**

Oversees overall business operations, strategic planning, and organizational performance while ensuring sustainable expansion.

## **Mr. Prashant Tidkey - Director**

Leads the organization with a clear vision, fostering operational excellence, sustainable growth, and customer-focused solutions. Dedicated to delivering exceptional value through innovation and integrity.

## **Ms. Shraddha Mishra - Global Head**

The Global Business Head focuses on expanding international partnerships, strengthening export networks, and delivering customized solutions for worldwide clients.

## **Mr. Yogesh Nanda - International Export Director**

Drives global business expansion by building strong international partnerships and export opportunities. Ensures seamless global trade, customer satisfaction, and sustainable business growth.

# Manufacturing Plant

At **Zorvexa Group**, our manufacturing process combines traditional handcrafting expertise with modern production standards to deliver premium-quality rugs for international markets. Every stage is managed with precision to maintain consistency, durability, and refined finishing.

## ► State Of The Art Facilities

Our facilities are equipped with organized production units and quality-focused infrastructure designed to support efficient large-scale manufacturing.

## ► Advance Technology

We integrate advanced production techniques and modern finishing processes to ensure precision, consistency, and superior product quality.

## ► Largest Capacity

Our scalable manufacturing capacity enables us to fulfill bulk export orders efficiently while maintaining strict quality standards and timely delivery.

Our facilities are designed to deliver superior craftsmanship, consistent quality, and reliable global supply solutions.

# Our Product Range

---

# Export Pallet Packing

Zorvexa follows professional export pallet packing standards to ensure safe and efficient international transportation of rugs and carpets. Every shipment is carefully prepared to maintain product quality during transit and delivery.

## ► Durable Material

We use strong export-grade pallet materials that provide maximum support, stability, and protection for international shipments.

## ► Protective Wrapping

Each product is securely wrapped using protective layers to safeguard rugs from moisture, dust, and handling damage during transportation.

## ► Weight Optimization

Our packing methods are optimized to maximize container efficiency while maintaining secure product arrangement and cost-effective shipping solutions.

# Export Container Loading

**At Zorvexa Group**, we follow organized container loading procedures to ensure secure handling and smooth global shipment operations. Every container is prepared with precision to protect product quality throughout transit.

## ► Strategic Arrangement

Products are systematically arranged to maximize space utilization, maintain balance, and minimize movement during transportation.

## ► Quality Checks

Our team performs detailed inspections before loading to ensure packaging integrity, product safety, and export compliance standards.

## ► Secure Loading Techniques

We implement reliable loading methods and protective support systems to ensure safe international delivery without product damage.
